(1) Infrastructure construction costs include all infrastructure costs associated with a development including, but not limited to, drainage facilities, sanitary sewers, grading, excavation, and street improvements. Does not include waterlines. Please contact Greater Cincinnati Water Works for permit information and fees on waterlines.

(2) Any inspection conducted outside the normal eight-hour workday of Monday through Friday, excluding holidays, 8:00 a.m. until 4:30 p.m., shall be charged at one and a half (1.5) times the standard rate. The City reserves the right to charge fees in addition to the fees specified in the table above if, due to the applicant's responsibility, excessive review and/or field inspections are necessary, and as determined by the City Engineer. Such fees for review and field inspection by the City shall be charged at the standard rate of thirty dollars (\$31) per hour, plus a three-fourths (.75) hour charge for travel time. Any review and inspection completed by consultants on behalf of the City shall be charged to the applicant at the same rate charged by the consultants. Performance and maintenance bonds will not be released until payment of all fees is received.

(3) Any review and inspection completed by consultants on behalf of the City shall be charged to the applicant at the same rate charged by the consultants.

(4) Amendments initiated by Planning Commission and Planned Unit Development applications are exempt from zoning district change fees.
