RE: Street Light – Innovation Way

The scope of the project is the entire length of Innovation Way from Western Row Rd south to Sociallville Foster Rd. Customer to remove existing lights prior to Cinergy's installation.

The excess facilities charge to install 27 lights is \$90,317. This includes boring , conduit, transformers, primary and secondary cable, poles and fixtures.

The alternate excess facilities charge to install 27 lights is \$71,652. This includes conduit, transformers, primary and secondary cables, poles and fixtures. The exception is the site will be open trenched not bored. The customer will be responsible for all restoration including trees and unmarked facilities i.e. sprinkler systems.

The monthly cost will be \$206.01 based on the street light rate SE.
