

**CITY OF MASON
COUNCIL WORKSESSION
JUNE 29, 2006**

Mayor Pelfrey called the meeting to order and welcomed the residents who were present. Paige Rothstein introduced Bob Richardson, Mike Smith and Chad Edwards from KZF.

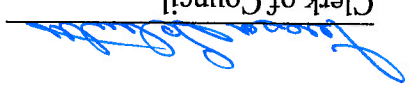

ATTENDANCE: The following members of Council were present: Victor Kidd, Tony Bradburn, Matt Kline, Todd Wurzbacher, Tom Grossmann, Char Pelfrey

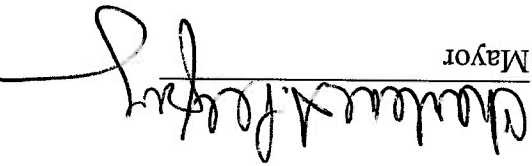

DOWNTOWN MASON DESIGN

Bob Richardson with KZF presented background information on how the Downtown Steering Committee worked throughout the decision making process. He noted the goal was to capture the character of the City and build upon it. Chad Edwards, also with KZF, then presented details on Phase One of the project which is the core area of downtown. On street parking, landscaping, plaza design and street lighting were discussed with the stated goal being "reflecting on the past while creating the future."

Questions and answers followed from members of the audience and Council. Many questions focused on the street light fixture selected and how effective it would be in the downtown area. It was suggested to see if it was possible to install one new fixture in the area so everyone could view its performance. Chad Edwards agreed to pursue that idea.

The meeting adjourned at 7:20 p.m.
