RE: Regulation of Sexually Oriented Businesses

ITEM: Amending the City's Code of Ordinances to provide for the regulation of sexually oriented businesses.

ACTION REQUESTED: By motion, adopt **Ordinance 2006-101**, amending Chapter 723 of the City's Ordinances to regulate sexually oriented businesses and control the negative secondary effects associated with them.

PURPOSE: In early 2005 City Council had approved utilizing Scott Bergthold, an attorney specializing in defending municipal adult business regulations, to update the City's own regulations. Wood & Lamping staff have worked with Mr. Bergthold to review the existing ordinance, case law developments, and constitutional issues to draft an appropriately amended ordinance.

Previously Council was provided a CD containing Mr. Bergthold's research on the secondary negative effects that adult-oriented businesses bring to a community which is the basis for the proposed amendments. Attached is the amended ordinance as well as notes for a presentation Mr. Bergthold will be leading, via telephone conference call, during the September 11th Council Meeting to further explain the proposed legislation. Because of the logistics of this presentation, it is scheduled to occur between 7:30 and 8:00 pm on Monday's agenda. The sequence of agenda items may need to be modified to accommodate this call.

If you have any questions, please let me know.

**Sources of Secondary Effects
Information**

Types of Secondary Effects

Secondary Effects Rationale

Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects, and the City of Mason has a substantial government interest in regulating to prevent each of those secondary effects.

This substantial government interest exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses.

(a) Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation.

(b) Each of the foregoing negative secondary effects constitutes a harm which the City has a substantial government interest in preventing and/or abating. This substantial government interest in preventing secondary effects, which is the City's rationale for this ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the City's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in the City. The City finds that the cases and documentation relied on in this ordinance are reasonably believed to be relevant to said secondary effects.
