

RESOLUTION 2016 - 8

DECLARING MAY 2016 AS BUILDING SAFETY MONTH

WHEREAS, the City of Mason’s continuing efforts to address the critical issues of safety, energy efficiency, and resilience in the built environment that affect our citizens, both in everyday life and in times of natural disaster, give us confidence that our structures are safe and sound; and

WHEREAS, our confidence is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, laborers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

WHEREAS, the Ohio Building Codes and related Standards include safeguards to protect the public from natural disasters such as snowstorms, floods, tornadoes, hurricanes, and earthquakes; and

WHEREAS, Building Safety Month is sponsored by the International Code Council, to remind the public about the critical role of our communities’ largely unknown guardians of public safety—our local code officials—who assure us of safe, efficient and livable buildings; and

WHEREAS, “Building Codes: Driving Growth through Innovation, Resilience and Safety,” the theme for Building Safety Month 2016, encourages all Americans to raise awareness of the importance of building safe and resilient construction; fire prevention; disaster mitigation, water safety and conservation; energy efficiency and new technologies in the construction industry. Building Safety Month 2016 encourages appropriate steps everyone can take to ensure that the places where we live, learn, work, worship and play are safe and sustainable, and recognizes that countless lives have been saved due to the implementation of safety codes by local and state agencies; and

WHEREAS, each year, in observance of Building Safety Month, Americans are asked to consider projects to improve building safety and sustainability at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, be it resolved by the Council of the City of Mason, Ohio, six members elected thereto concurring:

Section 1. That the Council of the City of Mason hereby designates and proclaims May 2016 as Building Safety Month.
