Mason Community Profile

The City of Mason is considered one of the most desirable communities in the Cincinnati metropolitan area and has earned a reputation as a progressive, innovative community. The City is a destination for corporations seeking a thriving business environment and for families desiring attractive neighborhoods and nationally ranked schools. It is located in the southwest portion of Ohio, 22 miles northeast of Cincinnati and 30 miles south of Dayton.

Originally settled as the village of Palmyra in 1815 by Major William Mason, the community was renamed in his honor 20 years later. Incorporated in 1971, Mason is now one of Ohio's fastest growing cities and has over 35,000 residents. Its 19+ square miles are about 85% developed with a mix of businesses, commercial areas, and attractive residential neighborhoods with a wide range of housing types. A comprehensive planning process for the development of the City has helped preserve its small-town feel even as it has evolved into a modern city with attractive amenities.

Mason is strategically located between the Cincinnati region's two most vital commerce corridors, Interstates 71 and 75, just north of the I-275 beltway. Businesses and residents have easy access to the metropolitan centers of Cincinnati and Dayton.

For air travelers, the Cincinnati/Northern Kentucky International Airport in northern Kentucky is about forty-five minutes away. Major regional and commuter airlines provide non-stop or direct service to cities in the United States, Canada, and Europe. Dayton Airport in Ohio is also about forty-five minutes away, and Port Columbus, Ohio, is about 90 minutes away. Private airports in Cincinnati (Lunken Field) and Warren County are nearby.

Almost all of the City is served by the Mason City School District, which has earned a perfect score and an "Excellent/Effective" rating on the state report card each year since 2000. It serves approximately 10,500 students. The City also has two private schools that educate

about 1,000 students in grades one through eight. Higher education opportunities are available locally at Sinclair Community College in Mason and Miami University's regional campus in West Chester. Main campuses within commuting distance are the University of Cincinnati, Miami University of Ohio, and smaller, private colleges.

Almost all of the day-to-day needs of families can be found right in the City, from grocery stores to professional offices. Four regional shopping centers are within a 20-minute drive.

Residents of the City of Mason have many recreational opportunities available at their doorstep. The Grizzly Golf and Social Lodge, Great Wolf Lodge, and Kings Island amusement park all lie within City boundaries. The City is also home to the annual Cincinnati Open, a championship men's and women's tennis tournament. Eight City parks cover 335 acres and include fishing lakes, walking trails, ball fields, tennis courts, picnic shelters, and playgrounds. Mason Community Center is one of the largest public recreation facilities in the state. It has a competition pool, leisure pool, gymnasium, field house, fitness area, walking track, senior center, café, and classroom and meeting areas. A continually expanding network of bike paths connects neighborhoods to schools, parks, and downtown.

Growth and development in Mason is expected to continue to meet or exceed the average growth of the economy because of Mason's physical location, developable terrain, municipal facilities, services and utilities, and the progressive attitude and actions of city council, administration, and citizens.

Government in the City of Mason

Mason has a council/manager form of government. City Council hires the city manager, who is charged with administering the operations of city government and implementing policies enacted by Council. The city's charter establishes guidelines for its operations.

The legislative body of Mason consists of a mayor and six council members who are elected at-large on a nonpartisan basis to serve 4-year terms of office, with a limit of two consecutive terms. The mayor is a council member elected by his or her fellow council members and serves as the executive head of council. The council also selects the vice mayor, who performs the duties of the mayor in his or her absence.

The council/manager form of local government combines the strong political leadership of elected officials in the form of council, with the strong managerial experience of an appointed city manager. The mayor and council members are the leaders and policy makers elected to represent the community and to concentrate on policy issues that are responsive to citizens'

needs and wishes. The city manager provides policy assistance and ensures that the entire community is being served. The city manager carries out Council policies as he or she manages the day-to-day operations of the city with support from the city manager's immediate staff, including the assistant city manager, human resources director, economic development staff, public information officer, information technology manager, and department heads. He or she has full authority over the appointment and removal of all municipal personnel.

Department heads are responsible solely to the city manager for carrying out the mission and responsibilities of their departments. Department heads include a finance director, service director, city engineer, parks and recreation director, public utilities director, public works director, safety director, police chief, and fire chief. The department heads, together, with the immediate administrative team, make up the city manager's leadership team.
