ANNUAL REGIONAL EVENT
CITY OF MASON

SUMMER 2017

RED RHYTHM & BOOM

PHILLIP PHILLIPS

Featuring
Multi-Platinum
Artist

With
Special Guest
BEN RECTOR

MONDAY, JULY 3, 2017

4 p.m. to 10 p.m. • MASON MUNICIPAL CAMPUS

MUSIC | ACTIVITIES | FOOD | FUN | FIREWORKS

Visit imaginemason.org

Don't miss out on the fun. Bring your friends and families and enjoy this free event!

GET INVOLVED

There's still time to get involved. Are you interested in helping with Red, Rhythm, and Boom? Assignments are flexible and allow you to form new friendships while using your experience and skills to help others. Visit www.imaginemason.org for volunteer opportunities.

MASON COMMUNITY CENTER

Mason Community Center will be open 5:00 a.m. to noon with limited facilities.

LOU EVES MUNICIPAL POOL

Lou Eves Municipal Pool will be open noon to 8:00 p.m.

ROAD CLOSURES

Lakeside Drive will be closed from Mason-Montgomery Road to Foxfield Drive from 8:00 a.m. to midnight. Mason-Montgomery Road will be closed from Foxfield Drive to Lakeside Drive from 4:00 p.m. to midnight. Detours for local traffic will be provided.

SHUTTLES

The City of Mason is partnering with local businesses to provide shuttle service from specified parking locations. Parking at these locations and use of the shuttle is free and available to all of our guests. Shuttle buses will be available for those with wheelchairs or special needs.

TICKETS/ WRISTBANDS

Mason City Council hopes you enjoy 2017 Red, Rhythm, and Boom! This regional event is intended to showcase the quality of life that Mason has to offer. The event is free (no admission ticket is required). All lawn seating is first come, first serve beginning at 3:00 p.m. on Monday, July 3. Backstage passes are not available.

A \$5 wristband (one per child) allows your child to enjoy the kids' activities and games all day. Wristbands can be obtained at all information booths the day of the event or at symbiosis, located inside Mason Community Center, closer to the event. Proceeds from the sale of the wristbands go to the Mason Parks and Recreation Foundation's Common Ground playground project.

WEATHER POLICY

Mason's Red, Rhythm, and Boom will be held rain or shine and will not be rescheduled. In the event of severe weather, updates will be posted on social media for any cancellations.

FIREWORKS

A fireworks display will occur at approximately 10:00 p.m. The best viewing for the fireworks display will be on the campus of the Mason Municipal Center and Community Center.

STAY CONNECTED

Get connected with us for the latest event updates on www.imaginemason.org, Twitter at @imaginemason, Facebook at City of Mason, Ohio-Government and CodeRED.

Growing Business Benefits Community

The City of Mason is blessed: services, schools, location, amenities, a proud history, and an optimistic future. Every resident, employee, business, and visitor contributes to the quality of life that Mason offers. An important key to the City’s success has been a history of prioritizing economic development. For many decades, Mason residents have been the strongest proponents of attracting, retaining, and growing a strong business community. City Council—past and present—has established a record of aggressively recruiting companies with good-paying jobs and growth opportunities. All City departments have adopted the mindset that supporting the success of Mason businesses is a key part of their jobs.

The City’s core business model relies on business success to keep taxes low and fuel the services and quality of life we provide. As the City’s corporate community has grown, the share of the tax burden paid by residents has continued to significantly decline. In 1995, for every 50 cents residents paid in taxes, the business community paid 50 cents. In 2005, residents paid 28 cents and businesses paid 72 cents. In 2015, residents paid 15 cents and the business community paid 85 cents. **In 10 years the share of the tax burden paid by residents has gone down by 42%.** This is fundamentally how all the other high quality services—police and fire, roads, parks, landscaping, snow removal, etc.—are affordable.

Every dollar Council invests in economic development is measured and structured to maximize the return on investment. In 2015, for every \$1 spent on corporate recruitment, \$175 in annual payroll was generated. This is good for financing City services, but also means local, well-paying jobs for residents, our neighbors, and family.

We are thankful to the continued contributions and commitment the Mason business community makes to the City. They deserve the lion’s share of credit for the bright future in Mason.

Deerfield Township
Administrator

Township’s Assistant Administrator/ Community Development Director Retires

A familiar face to some township residents and businesspeople bid farewell to us recently, as Lois McKnight retired at the end of March.

After working stints in Union Township, Clermont County, and the City of Blue Ash, Hamilton County, Community Development Director & Assistant Administrator Lois McKnight began her career with Deerfield Township as a consultant in 2005, and was hired as a full-time employee—Community Development Director—shortly thereafter. In 2011, she was promoted to the position of Assistant Administrator.

A Township assistant administrator wears many hats, including planning and coordinating the development and implementation of Township goals and policies. The position also includes project and budget coordination, as well as serving as the Township’s representative at chamber of commerce events locally and in Greater Cincinnati. “Throughout my career, I’ve enjoyed the variety that is each day. While serving the public consists of many processes that are routine and controlled by state and local regulations, each day is different because of the variety of interactions that take place,” McKnight says.

When asked what she will miss most, she says will miss the people: both those she has had the pleasure of working alongside and the people she served in the community.

McKnight’s retirement will be short lived, though, as she and her husband have formed a new business to continue her professional career in a consulting capacity.

Your Open for Anything

Get ready for tennis at its best: the world's top stars AND off-court action that's an event all its own. This is the tournament that gets you and your friends into the mix...close to everything about the Open that means the most to you.

With the best local music, cuisine from the area's top chefs/restaurants, select libations and deluxe shopping, this is one of the most anticipated celebrations in the Midwest.

Western & Southern Open
August 12 -20, 2017

WSOpen.com

513-651-0303

On The Cover...Elaine Bruening

Elaine Bruening has played a major role in the growth of the Western & Southern Open in Mason, Ohio from its humble roots at Coney Island to one of the world's top tennis championships.

Elaine started as a 19-year-old volunteer at the tournament. As the tournament grew in stature, Bruening became the operations and financial leader. In 2002 she played a critical role in the development of a partnership with the City helping to acquire the stadium and grounds from Great American Insurance Company and retaining the tournament in Mason. In 2004 she helped bring the women's tour to Mason, eventually leading to the Western and Southern Open becoming one of only five events in the world, outside of the Grand Slams, to host a top-tier men's and women's event during the same week at the same venue. Mason's tournament shares the stature of tournaments in Indian Wells, Madrid, Miami, and Rome.

Throughout her leadership, the tournament has donated more than \$8 million to Cincinnati Children's Hospital Medical Center and nearly \$2 million combined to the Barrett Cancer Center and Tennis for City Youth.

"The tournament is proud of the fact that we've been able to bring the world's biggest tennis stars, and literally millions of fans, to Mason over the last four decades," says Bruening.

MASON & TENNIS—A PERFECT MATCH

The Western & Southern Open is the nation's oldest professional tennis tournament played in its city of origin. Mason is proud to be the tournament's host city since 1979. The first stadium with permanent seating was

constructed in 1981. Today, the Lindner Family Tennis Center is the only U.S. venue, outside of the US Open in New York, with four brick-and-mortar stadiums. In all, the Mason facility has 17 total courts.

The tournament is a big part of Mason's success story for its economic impact and global recognition for Mason and the region. The tournament has an estimated annual economic impact of over \$62 million throughout the region and is viewed by over 67 million households across the globe. For 10 days Mason is the world stage for one of the most prestigious events in tennis, attracting more than 200,000 visitors from all 50 states and over 30 countries. The event is just part of the repertoire of activities, programs, and venues that add to the quality of life for Mason residents and businesses.

WHAT'S NEW IN 2017

A significant amount of work is going into preparation for the 2017 tournament. The tournament has invested \$5 million in facility improvements and surrounding parking areas that will be ready this August. This includes construction of a 17th court which will serve as an additional practice court for marquee players with fan seating. Practice remains a main attraction for many fans. The event will also add lights to two additional courts bringing the total of illuminated courts to eight.

The tournament has worked diligently to address parking issues brought on by the record rainfall of last year. Grading and drainage work is being performed on the surface lots surrounding the Lindner Family Tennis Center including driving lanes and walking paths to improve both pedestrian and auto access to the site.

The paved "Diamond Lot" will be expanded by 245

spots to have a total of 445 spots which are available for purchase on a weekly basis. Diamond Lot spots have personalized identification signs and are the closest paved parking spots at the Lindner Family Tennis Center.

WHO'S WHO IN 2017

As a Masters 1000 event on the ATP World Tour (men's), all of the top players are automatically entered. Expected to join last year's champion Marin Cilic are: Roger Federer seeking a record eighth title in Cincinnati; Novak Djokovic attempting to win his first here after losing in the finals five times; household names like Rafael Nadal and Andy Murray; and next generation stars such as Dominic Thiem and young American Taylor Fritz.

As a Premier 5 event for the WTA (ladies), the event is guaranteed seven of the top 10 women in the world. In past years, each of the top 30 women have competed. Final fields are not expected until August, but early potential storylines include Serena's return to Cincinnati after winning back-to-back titles in 2014 and 2015 and Maria Sharapova's return to competitive tennis.

Don't miss the action in 2017! Tickets are available at www.wsopen.com.

New Director of Planning and Zoning Appointed D

With the recent retirement of former Community Development Director/Assistant Administrator Lois McKnight, the Township hired Samuel Hill as the new Director of Planning and Zoning in March. Hill now directs the activities of the Planning and Zoning Department, which includes supervising the staff, administering the Zoning Resolution, Comprehensive Land Use Plan, and both zoning boards (Zoning Commission and Board of Zoning Appeals).

Having worked in several public sector positions prior to his Deerfield appointment, Hill is now in his 14th year in the urban planning field. He most recently worked for the City of Lebanon as their City Planner. Hill stood out among all candidates for the director position due to his experience and education, and his leadership qualities, which have been honed as a department head in prior jurisdictions.

He is a 2007 graduate of the prestigious College of Design, Architecture,

Art, and Planning (DAAP) at the University of Cincinnati, and maintains his membership to the American Planning Association (APA).

As for what attracted him to work for Deerfield Township, Hill says, "I feel an overwhelming sense of a team atmosphere and mentality here; there aren't too many 'I's' you'll hear in these hallways, and that's refreshing."

Deerfield Township is fortunate to have landed such a qualified and sought-after professional. He may be reached in the office from 7:00 a.m. to 4:30 p.m., Monday through Friday, at 513.701.6964, or via email at shill@deerfieldtp.com.

Creating Partnerships Saves Taxpayer Dollars M

The City and Mason City Schools have a proven track record for creating partnerships that are not only financially prudent but often enhance the quality of life for residents. In March, the City and District continued the partnership entering into an intergovernmental agreement for upgrading to LED lighting, as part of Duke Energy's Smart Saver Incentive Program, in school

and municipal facilities. Under Duke's program over 7,000 of the City's current lights and over 56,000 District lights will be replaced with more cost efficient improved LED lighting—at no cost to the City or the District. Ohio Revised Code allows intergovernmental agreements whereby one political subdivision permits another political subdivision to participate in a contract it

has entered for acquisition of equipment, materials, supplies, or services. It is estimated that this project will save the City and District a total of \$150,000 annually in utility expense through this program.

Moving forward, the City and District are exploring additional partnership opportunities for other energy efficient and safety related programs.

The Deerfield Farmers' Market will enjoy a new location for the 2017 summer season. They have relocated to the Anthem Blue Cross

Deerfield Farmers' Market D

and Blue Shield parking lot, located at 4361 Irwin Simpson Rd.

The Farmers' Market has seen great success in recent years. This new location will allow for the same quality regional vendors and more guest parking.

Guests may continue to enjoy the wide array of vendors who sell their fresh fruits

and vegetables, flowers, and offer free cooking demonstrations and live music.

Summer market hours begin the first Saturday of May and run to the end of October, every Saturday, from 9:00 a.m. to noon.

The Township thanks Anthem Blue Cross and Blue Shield for their generosity.

For more information and vendor listings, please visit www.deerfieldfarmersmarket.com.

Mason City Council Recongizes the Importance of May Mental Health Awarness Month M

At the April meeting, City Council adopted a Resolution highlighting the importance of mental health to overall wellness. Mason participated in regular community and economic activities that further the conversation and cause of better awareness, treatments, and innovation through

local Mason companies such as Assurex Health and Lindner Center of Hope. City Council has set a priority to progressively be a part of the conversation when it comes to advancing research and development innovation within existing corporate partners.

Thanks to the many partners and organizations that join the City of Mason that are critical to the culture of wellness being cultivated in the City of Mason and the hard work that goes on in the community to meet this challenge.

D Township Welcomes New Public Works Director

The Township is pleased to announce the hiring of our new Public Works Director, Wess Kroll. He replaces Eric Reiners, who served the township in that role since 2006, but was promoted to Township Administrator in January 2017.

Most recently, Wess had been an Estimator/Project Manager for Barrett Paving Materials, Inc. for approximately 13 years.

The Public Works Director position is an executive level administrative position

that oversees all Township infrastructure related to grounds, facilities, and fleet maintenance, and is responsible for all Public Works departmental personnel. The Department maintains the township's streets, numerous properties' upkeep, road surface sanitation and storm water, general maintenance, and special projects as needed.

On being hired as the Township's Public Works Director, Kroll says, "As a resident

of Deerfield Township, I'm excited to join this wonderful team and the Public Works staff in particular. During my career I have had the opportunity to be a part of some very special projects here in Deerfield Township. The role of Director of Public Works will allow me to apply my skills maintaining and improving our local infrastructure each and every day."

M Installing A Pool?

Spring is a very popular time of year for new pool construction. If you are considering installing a pool please keep in mind that permits are required for pools, hot tubs, spas, as well as storable or wading pools that use electrical equipment for cleaning, servicing, and/or operation. The permitting process is designed to help protect the safety of residents and help ensure they continue to remain good neighbors. The Mason Engineering and Building Department, at 513.229.8520, can help answer any questions you may have about the permit process and zoning for your new pool.

Please keep in mind:

- Residents are encouraged to first check with their homeowners association for any covenants or restric-

tions that may prohibit the installation of a pool.

- Generally, pools should be located 10 to 25 feet from the property line. The distance may vary depending on the zoning of the property.
- A plumbing permit is required when pools are served by a permanent water supply and/or a permanent drain system. Plumbing permits can be obtained from the Warren County Board of Health at 513.695.1228.
- An inspection and permit is required for electrical installation of pool equipment and accessories to verify

compliance with electrical code and aid in creating a safe environment for your family.

- A fence or barrier wall is needed for a swimming pool, basin, or tank of water that is more than 24 inches in depth or greater than 150 square feet. The fence or barrier must be at least 48 inches in height surrounding the swimming pool, basin, or tank of water.

The Department's goal is to make all projects safe to protect your family and avoid accidents. You can find more information about this topic at the City's website at www.imaginemason.org.

D Summer Art Camps and Concerts!

The Arts Alliance is gearing up for a wonderful summer art camp season by offering a wide array of creative art making opportunities for kids, kindergarten to the eighth grade. Camps are held in morning and afternoon sessions at either Cottell Park or Kings Mills Elementary. Campers may enjoy paint-

ing, drawing, cartooning, papermaking, stained glass, and theatre camps, to name a few.

The Arts Alliance will collaborate with Deerfield Township to present three summer concerts this season. Break out your blankets, lawn chairs and picnics for the following:

July 7th, 7:30 pm: Kentucky Symphony Orchestra

July 15th, 7:00 pm: Comet Bluegrass All Stars

August 4, 7:00 pm: Cincinnati Shakespeare: Merry Wives of Windsor

All performances are held outside at Cottell Park and are admission free to the community. For more information and camp registration, please visit www.the-arts-alliance.org.

Three Questions with MASON EARLY CHILDHOOD CENTER PRINCIPAL

MELISSA BLY

Melissa Bly bleeds green and white. The 1993 Mason High School graduate began teaching third and fourth graders at Western Row Elementary in 1997, and was promoted to Assistant Principal in 2004. Since 2012, she's been the Principal of the Mason Early Childhood Center (MECC)—the school that serves 1,900 Mason preschoolers through second graders.

Melissa completed a Bachelor of Science in Education degree from Capital University in 1997, and a master's degree in educational administration from the University of Cincinnati in 2001. She and her husband Curt, a Mason High School English teacher and varsity baseball coach, live in Mason. They are the proud parents of three Comets: Mason Middle School eighth grader Brady, Mason Intermediate School sixth grader Corinne, and MECC second grader Gavin.

1 As the MECC Principal, you created a motto for the school that "Tradition Begins Here." What makes you most proud about being a part of the place where the next generation of Comets and their families get their start?

I am proud of so many things in Mason! We live in a great community, we have an exceptional school system, our children are taught by amazing teachers,

and we are so fortunate to have all of those things at once. I am most proud of being part of the Mason Community as both a school and community mem-

ber. The motto "Tradition Begins Here" is our way of expressing our pride in being Mason Comets and we hope our students will feel that pride as well.

2 How can families make sure that their child is ready for kindergarten in 2017–2018?

The most important thing to prepare for kindergarten is to help your child develop a positive attitude about school and the wonderful things he or she will be learning. The first thing families should

focus on is getting registered for kindergarten. We work hard to place children in classrooms that are balanced and that fit their learning styles. Enrolling early and providing us with information about

incoming students is extremely important in making sure that we can ensure a successful placement. Registration information can be found on our district website, www.masonohioschools.com.

3 What advice would you give to parents and grandparents about how to foster a love of learning in their children or grandchildren?

Read and ask questions! Reading with young children daily is an important part of developing early literacy skills. Children love being read to and hearing

an adult's voice in a story is important as well. In addition, encourage your child to ask questions about things. This is the beginning of exploration and

problem solving; learning attributes that we hope to make intrinsic for all of our students.

JOIN US FOR A CONVERSATION ABOUT THE FUTURE OF DEERFIELD . . .

Deerfield Township invites residents to play an active role in shaping future development

What makes our community THE place to be?

Safe streets

Quiet cul-de-sacs

Financial stability

Community gathering spaces

Meaningful economic development

Kid-friendly activities

Excellent schools

Neighbors who become life-long friends

THE FOUNDATION OF SUSTAINABLE DEVELOPMENT IS AN INFORMED COMMUNITY, AND WE HOPE YOU WILL JOIN US AS WE SHAPE THE FUTURE OF DEERFIELD TOWNSHIP IN THE COMING MONTHS.

Cottell Park

Deerfield Township is a vibrant community of nearly 40,000 residents who enjoy diverse housing options, excellent schools and social and cultural amenities that support an active lifestyle. Home to global businesses and a stone's throw from world-class recreation destinations, Deerfield is a community that values balance.

Decades ago, a strip mall that housed a grocery store, a barber and an ice cream shop represented meaningful development. Today, in a community of millennials, families and retirees, meaningful development has to balance a variety of functional uses for people of every age in order to be relevant and sustainable.

Taking a fresh look at the former Kingswood Golf Course and other economic development and redevelopment options provides an opportunity to rethink the standard for development in our community.

Talented workforce

Quality police & fire services

Walkability

Thriving businesses

ACTIVE CITIZEN ENGAGEMENT IS A VITAL COMPONENT OF A HEALTHY COMMUNITY.

Please join us as we review land use priorities and evaluate future options for economic development. We plan to have thoughtful and wide-ranging discussions about how modern communities attract and retain people with varying interests and concerns, and how we sustain our priorities within available resources.

We will publicize the multiple public involvement opportunities that will begin to take shape this summer as we explore possible options for the Kingswood property.

To learn more about the guiding principles for development in the Township, please visit our website at: www.Kingswood.ChooseDeerfield.com/about/

For updates and more info on the status of the Kingswood process :

www.ChooseDeerfield.com

Key milestones regarding the Kingswood property:

2006

Deerfield Township purchases the Kingswood Golf Course to maintain local control of the site. In 2007, the Golf Course closes permanently.

2007-2009

Deerfield develops its first Comprehensive Plan. Residents, property owners and business leaders participated in the planning process that defined multiple "Character Areas" within the Township. The Kingswood site was designated as an Office Park Character Area.

2011

The Warren County Transportation Improvement District (WCTID) is created with representation from various local municipalities, including Deerfield Township, to ensure that Warren County's infrastructure keeps pace with growth. The extension of Innovation Way through the Kingswood site is included in future regional improvement plans.

2016

The WCTID advances Innovation Way Extension plans to 2017 to accommodate increasing traffic demands in the area, in conjunction with the I-71 & Fields-Ertel and Western Row Interchange projects.

December 2016

Deerfield Township releases Request for Qualifications for Master Developer for Kingswood to explore land use options.

March 2017

Master Developer Statement of Qualifications submitted.

April - May 2017

Evaluation of potential Master Development Teams.

August 2017

Formal public participation meetings will be held with the public and local stakeholders, Township Officials and the Master Development Team (if one has been selected) to discuss and review land use priorities and potential development alternatives.

THANK YOU FOR CHOOSING DEERFIELD.

Mason Manta Rays

The Mason Manta Rays competed in the 2017 NASA Junior National Championships in Clearwater, Florida, this past March. This swim meet had over 750 swimmers and 31 of those athletes were Mason Manta Rays. The team brought home awards in three categories—Womens Champions, Combined Boys and Girls Runner-up Champions, and Mens Third Place. This is the Manta Rays' highest place at a national level meet!

D Wayne Speer Appointed as Deerfield Township Trustee

The Township welcomed Wayne Speer as a Township Trustee in January 2017. Wayne will carry out these duties until the November 2017 election.

As a Township resident and former President of the Board of Zoning Appeals for the past four years, Wayne has a great appreciation and knowledge of the Township and a great willingness to serve.

“I believe when we have an opportunity to give back our time and service to the community, we should jump in. I’ve been serving for the past four years on the Board of Zoning Appeals, and am very aware of the township’s future opportunities and challenges; so, I jumped in!

“And what a great team to be a part of; two dedicated Trustees, a great Fiscal Officer, an incredible administrative staff, and outstanding safety and public service people. I’m really looking forward to

continuing the great work the team has done,” Speer says.

What makes Deerfield Township such a wonderful place to live was an easy question for Speer. He appreciates our local schools, teachers, parks, great roads, and a nice balanced mix of residential areas.

As a resident of Deerfield Township since 2004, Speer has many observations about the growth in the Township. “We’re getting close to 40,000 residents and our safety and public services have not only kept up, but are arguably the best in the area. Growth has been strategic and well planned,” he says.

Wayne describes himself as a financial conservative. He appreciates that with growth comes financial strain. He wants to help be a part of the team that will effectively eliminate all of the Township’s debt by the year 2020, build strong reserves, and continue to have the highest

credit rating available to any township in Ohio. “The success of the Township is a testament to the hard work and dedication of our current and former Trustees and Fiscal Officers, and the dedicated administrative staff over the years,” says Speer.

Speer’s business career has included executive positions in private and Fortune 400 companies for the past 10 years. He has been a Corporate Innovation Consultant, and also holds the position of Markey Professor of Entrepreneurial Studies at Miami University in Oxford.

World-class expertise. *Compassionate care.*

**When it comes to complex surgeries,
no one else comes close.**

We have world-class expertise in robotic surgery right here in Cincinnati. TriHealth surgeons perform procedures so advanced that doctors from around the world come to us for training. This leadership and knowledge creates the right plan for you—a plan that cuts down on recovery time and gets you back to the life you love.

Five Steps to Happier Feet This Summer

If you're measuring the steps you're taking each day, don't forget what's getting you there: your feet. Logging millions of steps over a lifetime, your feet are likely

to encounter some extra wear and tear during the summer months.

Foot and ankle specialist Haim Cohen, DPM, TriHealth Orthopedic and Sports

Institute, offers five guidelines to treat your feet well this summer season and for the long term.

1 Choose Summer Sandals with Support

"Of the multiple things that can wreak havoc on your feet this summer, wearing flip flops tops the list," Cohen says.

He acknowledges the ease of slipping on a pair of flip flops, but he cautions, "Wear them in moderation. They don't provide support, and they're not made for long distance." Because the heels are

out, the toes must constantly grip the flip flops, which fights your natural walking motion.

What he does recommend are sandals that provide arch support and a rigid sole, along with a back strap that anchors the heel to the shoe.

"Ask your foot specialist or podiatrist,

go to a specialty store and try them on. Make sure they're comfortable *for you*," he says.

He notes that improper footwear may lead to painful overuse syndromes such as stress fractures, plantar fasciitis, bursitis, and tendinitis.

2 Beware Going Barefoot

"Although cultures across the world routinely walk barefoot, Cincinnati isn't one of them. For people who wear closed shoes most of the year, the hazards of walking barefoot are far greater than the

benefits," Cohen says.

Although going barefoot makes sense at the beach or pool, he notes the added risks of acquiring puncture wounds, possible bacterial

infections, and plantar warts. Lack of support creates many of the same problems noted with excessive flip flop wear.

3 Stretch Every Day

"Be proactive, not reactive," Cohen says. Daily stretches can lengthen a tight Achilles tendon and tight calf muscles that may contribute to conditions such as plantar fasciitis.

The plantar fascia is a broad band of

connective tissue that goes from your heels to your toes. Stretching can keep the tissue flexible so you don't get small tissue tears that can add up to significant pain.

Try these two stretches:

- 1) Balance the balls of your feet on the edge of a step and allow your heels to drop down, stretching your Achilles tendon from heel to calf.
- 2) Lean forward with back straight, feet about a foot from the wall and both hands on the wall. Move one foot forward with knee bent and lean into the wall until you feel a stretch in your calf and Achilles tendon.

4 Consider Shoe Orthotics

Cohen recommends that you invest in a good pair of custom, molded orthotics to be placed in your shoes for support. He says they're not just for people with foot issues; they offer great prevention against future foot problems.

"When you wear orthotics for six months and then go without them, it's

amazing what a difference they make," he says. "They help align everything and, in some cases, benefit the knees, hips, and back, in addition to your feet. Nearly all of my patients who wear orthotics are happy they got them."

5 Wear Sport-Specific Shoes

With increased athletic activity during summer, Cohen says it's important to have shoes designed for the sport you're doing. Wear basketball shoes to play basketball. Buy running shoes for running. He says a cross-trainer is a good all-purpose shoe.

To prevent foot, shin, and ankle injury, replace your running and walking shoes every 300 to 500 miles. For impact sports such as aerobics, basketball, or tennis, replace shoes after 45 to 60 hours of activity.

Haim Cohen, DPM, is a board-certified foot and ankle specialist with TriHealth Orthopedic and Sports Institute. He sees patients at 7423 South Mason-Montgomery Road in Mason and at offices in Montgomery and Rookwood. For information or an appointment, call 513.346.1500.

Mason Twisters

The Mason Twisters competed in the Pink Invitational in Philadelphia, Pennsylvania, on February 24, 25, and 26 for the first time and three gymnasts brought home gold medals.

Memorial Day Celebration

The public is invited to a Memorial Day service and parade in Mason on Monday, May 29, 2017.

A Memorial Day Parade will begin at 10:00 a.m. at the American Legion Hall Post 194 at 401 Reading Road. The parade route travels north on Reading Road and Main Street then heads south on Mason-Montgomery Road before concluding at the Mason Veterans Memorial. It will be followed by a program at the Mason Veterans Memorial beginning at approximately 11:00 a.m. with featured guest speaker William Patric Leedom, a 34-year Navy veteran. The Grand Marshals for this year's parade will be Arthur Katz, a WWII veteran, and Tom Britton, a Vietnam veteran. Following the ceremony, the public is invited to a luncheon at the American Legion Post 194, located at 401 Reading Road.

The Mason Veterans Memorial is on the southwest corner of Mason Municipal Center at 6000 Mason-Montgomery Road. It was dedicated in 2003 in a

ceremony that included former astronaut and Korean War Veteran Neil Armstrong and Colonel Michael J. Belsil, Commander of the 88th Air Base Wing at Wright-Patterson Air Force Base.

At the head of the memorial, a flag proudly waves above a wall depicting the five branches of the armed services.

The main feature of the memorial is a set of 10 pillars representing the 10 major conflicts in American history. The height of each pillar is proportional to the number of casualties in the war. At the end of the row is a low stone representing the hope for peace and the end to casualties in war. An eternal flame at the lower end of the memorial commemorates the prisoners of war and those who were missing in action. A wall of tears represents the sorrows of all those affected by war.

The memorial is open year-round. Parking is available adjacent to the memorial at Mason Municipal Center.

Save the Date! Monday, May 29, 2017 10:00 a.m.

World Down Syndrome Day Event

The fifth annual World Down Syndrome Day event, with over 200 participants, was hosted on Sunday, March 19

at Mason Community Center in partnership with the Down Syndrome Association of Greater Cincinnati Butler/Warren Community Group. World Down Syndrome Day is a global awareness day on March 21 every year representing the trisomy of the 21st chromosome that causes Down syndrome. This event provides the opportunity for families to gather for support as well as for children of all ages and abilities to play together. Families en-

joyed a kick-off performance by Special Techniques Dance Studio followed by music, food, and activities. Forty differ-

ent organizations also graciously sponsored door prizes raffled off during the event.

Expect To Owe 2017 Taxes?

If you expect to owe Mason city income taxes for 2017 and city taxes are not deducted from your paycheck, the Tax Office would like to remind you that it's time to make a quarterly payment.

The State of Ohio changed the due dates for estimated payments beginning tax year 2016. The new due dates are April 15, June 15, September 15, and December 15.

Please remember that 90% of your 2017 tax liability is due by December 15, 2017. Please make your quarterly payment by June 15.

To assist you in making your payment, quarterly estimated payment vouchers are available online. You may also choose to pay your quarterly estimate via the online tax tool. Please visit www.imaginemason.org to find these forms and tools.

If you need assistance in determining whether you need to make estimated payments or if you need to adjust your declaration, the Tax Office is glad to help. Please call 513.229.8535 for assistance.

Annual Sanitary Sewer Maintenance

Cleaning sanitary sewer mains is a standard operating procedure for the overall upkeep and maintenance of the City's sewer system. The City of Mason cleans sanitary sewer mains as part of annual maintenance program and residents are notified during non-emergency sewer maintenance.

Cleaning sanitary sewer lines involves a cleaning nozzle that is propelled from one manhole to the next using water under high pressure. When the nozzle is pulled back through the line to the starting manhole water scours the inside of the sanitary

sewer pipe. Debris in the pipe is pulled back with the water and removed with a vacuum unit. The process is then repeated down the line at the next manhole. Sanitary sewer maintenance allows crews to inspect manholes, helping to reduce the potential for blockages. During the cleaning of sanitary sewer lines, air occasionally vents into a home through the sanitary sewer service line and ventilation system. When this happens, water in the toilet bowl may bubble or surge, and in rare instances, the water may splash from the bowl. Again, while it is rare for water to exit the bowl, keeping the toilet bowl lid closed during this work will minimize any impact of water leaving the bowl. The common causes of air venting into

a building during sanitary sewer cleaning can be a result of: air movement from normal cleaning operations especially if there is a steep slope in the sewer line, a clogged sewer line that requires additional pressure to remove debris, sewer lines installed close to a building, a plugged roof vent, and the size and complexity of a building's ventilation system.

Keeping sewer lines and manholes free from debris is critical to effective operations of the sewer system. Residents are encourage to notify the Public Utilities Department immediately at 513.229.8570 if they witness anyone trying to remove a manhole cover, throwing items down a manhole, or attempting to enter a manhole for any reason.

Longtime Deerfield Firefighter David Jennings Retires

Deerfield Township Firefighter/Paramedic David Jennings officially retired from the Department on April 12, 2017. Jennings's long and distinguished career began in the fire service in May of 1980 as a Volunteer Fireman for the Mack Volunteer Fire Dept in western Hamilton County.

In 1983, Green Township assumed control of the department, where Jennings stayed as a part-time Firefighter/Paramedic through 1988. After accepting a brief full-time position with the City of Blue Ash from 1987 to 1989, Jennings spent the next 14 years of his career with the Colerain Township Fire Department as a full-time Firefighter/Paramedic. He helped Colerain establish their paramedic program, and was one of their first six full-time paramedics hired.

Jennings moved on from Colerain in 2003 to Deerfield Township as a full-time employee shortly after the inception of the Department. Jennings has held many roles as a Firefighter/Paramedic in this 37 years, most notably as a Peer Counselor for the Southwest Ohio Critical Incident Stress Management (SWOCISM) Team and founding member of Emergency Responders in Need (ERIN). These two entities assist public safety personnel who deal with the psychological stressors of their career as well as alcoholism and addiction.

Jennings and his wife Vanessa have two grown children, along with a golden retriever, Jimmy. A resident of the Monfort Heights area of Green Township, Dave plans to continue his service with SWOCISM, and make himself more available to those suffering from alcoholism and addiction. Golf, fishing, and a plan to "snow bird" in Florida are also in the Jennings' retirement plans.

Tradition of Fiscally Responsible Facility Planning Continues

Prior to the 1990s, Mason was an average-sized school district of about 2,500 students. In 1995, the district entered a 15-year period of explosive growth, becoming one of the fastest growing districts in the state—averaging an increase of 600 new students each year. Mason City Schools used a “just-in-time” philosophy when it came to adding space. By focusing on long-range planning (and with the community’s consistent support) the district added space when it was needed. Now, as enrollment stabilizes, the district is applying the same principle to match enrollment to school capacity in a fiscally responsible way.

Mason Schools Enrollment Has Stabilized

Today, enrollment has stabilized. The district’s largest class, the Class of 2018 (rising seniors), has 920 students while there are 690 first graders. The district contracted with an independent firm to develop a comprehensive demographic study to produce accurate enrollment projections by considering historical enrollment trends; historical, current, and planned residential development; live birth trends; and the number of private, charter, or transfer students who come into or leave the district. Mason City Schools’ enrollment will gradually decrease to under 10,000 students.

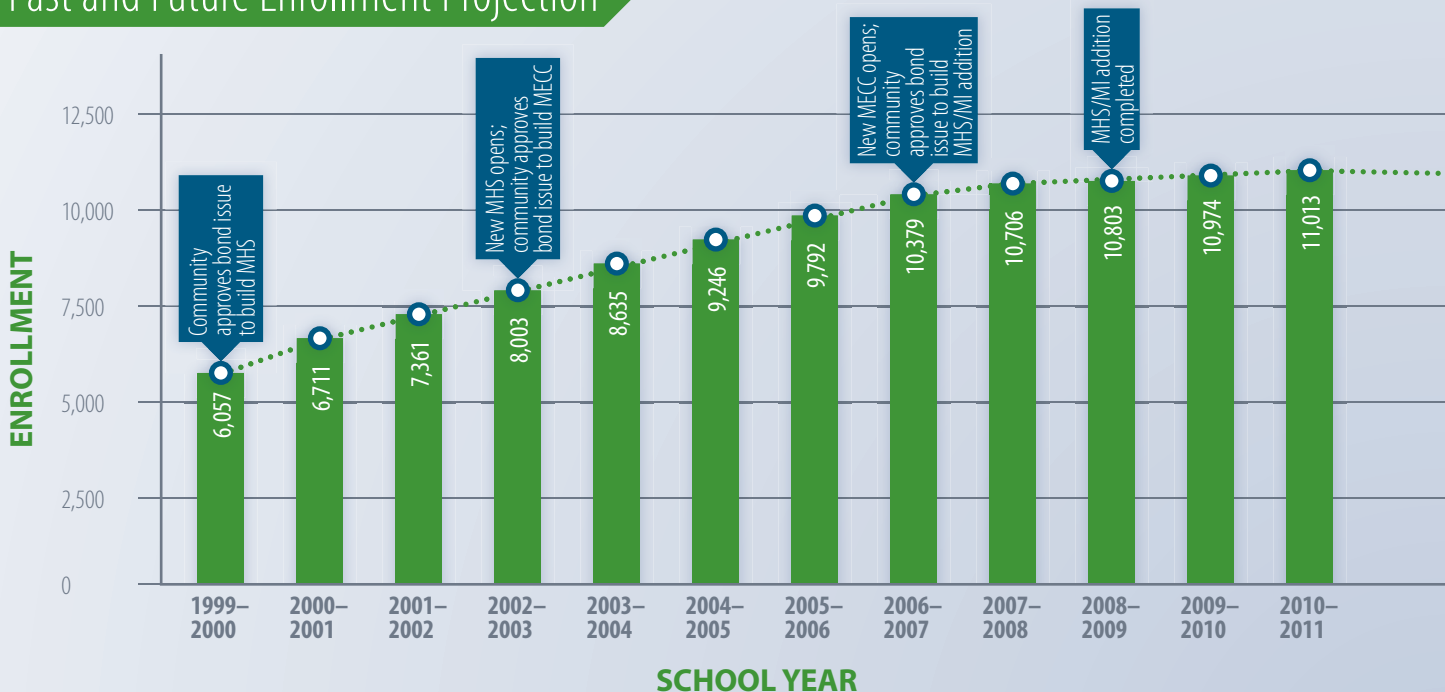

What about new residential developments? The predicted impact of new residential development on overall district enrollment accounts for new residential units, the student generation rate for each unit, and the grade level distribution of newly generated units. We partner with City and Township leaders to review planned residential developments, and discover the impact of the phasing of those developments over the next 10 years.

How do you predict how many empty nesters will stay in the community, or sell their homes to families with students? The methodology used for our enrollment forecasting takes into account the cycling of a community. By analyzing grade level cohorts combined with demographic data, assumptions were made to project the cycling of our community’s neighborhoods. We are fortunate to live in a vibrant community that is attractive to people at all stages of their lives.

Redeeming a \$33.7 Million Coupon

This school year, the Ohio Schools Facilities Commission (which was funded from tobacco settlement monies) informed district officials that Mason is now eligible for \$33.7 million to complete its Master Facility Plan. The plan includes a modest addition to the Mason Early Childhood Center, some renovations inside Mason Intermediate School and a total renovation of Mason Middle School. The entire plan will cost about \$42.2 million. The \$8.5 million difference will not require a bond levy and will instead be covered by Mason’s permanent improvement fund, which under state law can only be used for capital budget items like school facilities, buses, and textbooks.

Past and Future Enrollment Projection

Mason Early Childhood Center Grades: PK, K, 1, 2
Address: 4631 Hickory Woods Drive

Mason Intermediate School Grades: 3, 4, 5, 6
Address: 6307 S. Mason Montgomery Road

Mason Middle School Grades: 7, 8 Address: 6370 S. Mason Montgomery Road

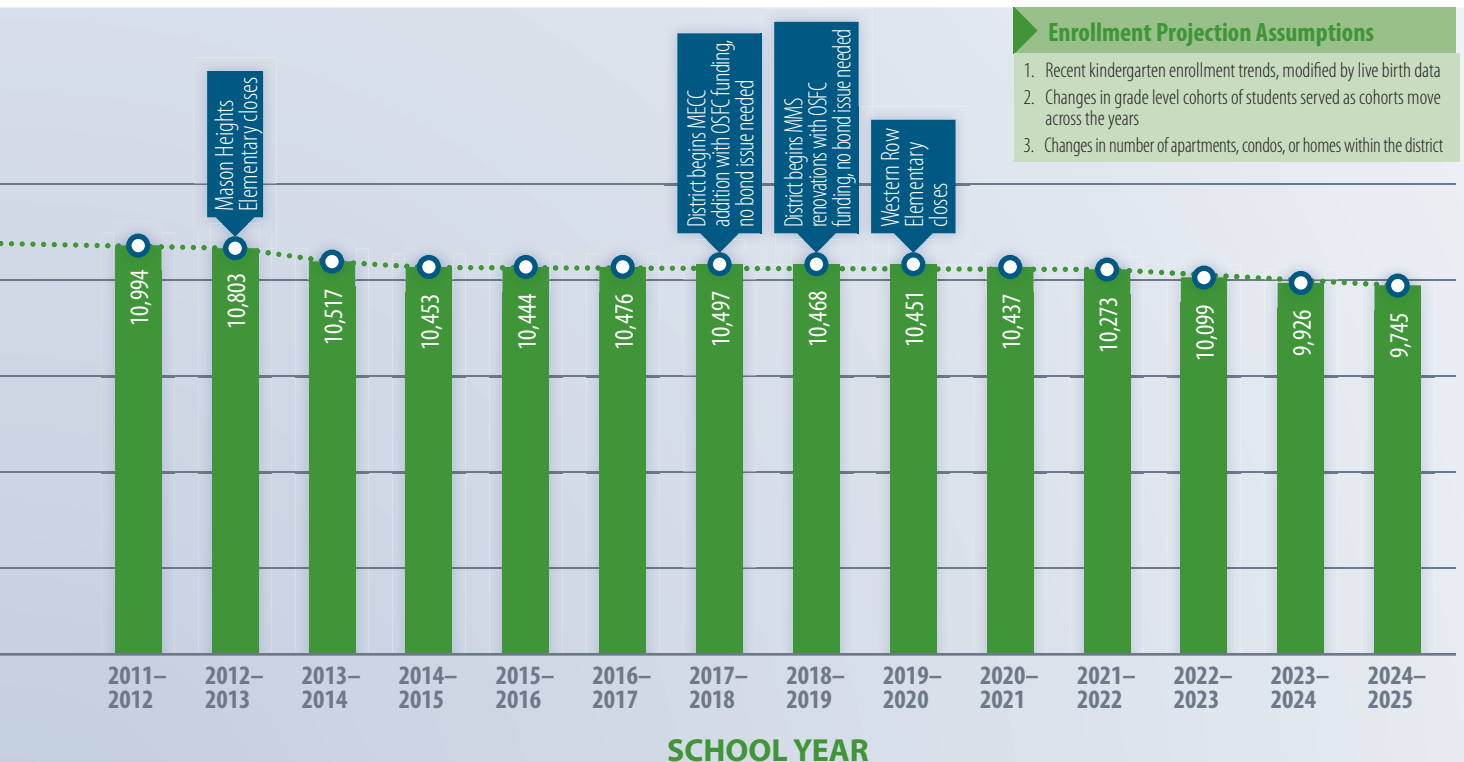

Mason High School Grades: 9, 10, 11, 12 Address: 6370 S. Mason Montgomery Road

Facility Master Plan Shrinks District's Footprint

The Master Facility Plan calls for closing Western Row Elementary following the 2019–2020 school year. Under the plan, preschool through second graders will attend the Mason Early Childhood Center, third through sixth graders will attend

Mason Intermediate School, seventh and eighth graders will attend Mason Middle School, and ninth through twelfth graders will attend Mason High School. The plan ensures that all Mason City Schools are safe, technology-ready, and high quality

learning environments. The plan eliminates splitting grades and lessens the number of transitions students make, while providing flexibility so that the district's facilities address the needs of Mason's learners today and 50 years from now.

City & School District Address

The things that make our community special and strong do not come from Columbus or Washington, D.C., Instead, innovation happens at the local level. Growing the next generation of leaders and ensuring that our community remains an engine for economic growth is supported

by local elected officials committed to delivering the high quality schools and city services that our community expects.

The City of Mason and the Mason City School District are increasingly concerned that innovation is slowed when so many of our resources are swal-

lowed up by mandates designed to fix problems that don't exist in our community. Your City and School District encourage residents to make their voices heard, and share concerns about issues impacting our community with state elected officials.

City of Mason Advocacy Efforts

Mason Opposes Centralized Income Tax Collections

Discussions continue at the State level to enact municipal income tax changes that will cause financial harm to municipalities while encroaching upon the City of Mason's home rule powers granted by the Ohio Constitution.

There have been three attempts over the past five years to introduce State legislation related to municipal income tax. Those proposals included changes that would cause a financial loss to municipalities, provide stringent requirements upon local income tax enforcement and collection processes, and/or propose the concept of centralized collection of municipal income tax by the State. In the two previous incidences centralized collection and some of the financially negative items were never approved. However, proposed changes that ultimately were removed from bills are now being added by the Governor to the State's Budget for 2017-2018. At the meeting on February 27, 2017, Mason City Council approved Resolution 2017-3 opposing the changes included in the proposed State Budget related to municipal income tax.

Mason Opposes State Law Regulating Small Cell Towers

On December 7, 2016, the Ohio General Assembly passed Senate Bill 331 (SB 331), titled "Regulate dog sales and license pet stores" also known as the Petland Bill. Prior to passage, during a lame duck session, provisions were inserted into the legislation stripping a municipality's ability to regulate small cell facilities including: their placement, construction, modification, and maintenance in the public right-of-way (ROW). Governor Kasich signed the

bill on December 19, 2016, and it will take effect March 21, 2017.

Small cell facilities are designed to be strategically deployed within an area to improve coverage and reliability of cellular networks and to support the deployment of next generation 5G networks. Mason City Council passed zoning ordinance modifications in 2016 in order to control the amount, location, design, and impacts of these facilities. Unfortunately, SB 331 now removes most local control of small cell facility deployment and specifically prohibits municipalities from:

- Applying zoning regulations to small cell wireless applications;
- Evaluating the business decisions of the applicant, the need for the antenna or equipment, or the availability of alternative locations;
- Precluding placement of equipment in a residential area or within a specific distance from a residence or other structure;
- Demanding the removal of existing wireless support structures or equipment as a condition of approval of a new application;
- Limiting the duration of any permit;
- Imposing separation or spacing requirements between antennae and equipment;
- Enacting any moratorium on the filing, consideration or approval of applications; or
- Entering into exclusive arrangements for the right to attach to a municipal corporation's poles or other delineated support structures.

The bill stipulates a municipality may not refuse to provide access to its own wireless support structures, poles, or facilities in the ROW, if a wireless provider wishes to

use those structures or poles.

Mason, along with every other municipality in the State of Ohio, will have little to no chance of properly vetting locations, designs, or impacts of these wireless facilities on the community due to the efforts of the wireless industry to remove basic zoning control from local authorities. Centralized income tax collections and the regulation of small cell towers are just two of the most recent actions the

State has taken removing the ability for residents of Mason to determine how their government will operate and direct control over policies that impact their community.

The City of Mason has joined in a legal action seeking to overturn SB 331 passed by the General Assembly late last December. Mason has joined with nearly 50 other municipalities throughout central and southern Ohio to bring this action against the State of Ohio. Additionally, dozens of other municipalities have brought similar actions in other courts across the State.

Mason urges residents to contact their local legislators to voice opposition to the municipal income tax changes and Senate Bill 331. For more information on these efforts visit the City's website at www.imagemason.org.

Local Control

Mason City School District Advocacy Efforts

Reduce State Testing

The Mason City School District joins our counterparts throughout the state in believing that the principal architects of the locally controlled education system in Ohio should be community members—including parents, principals, teachers, students, school board members, and superintendents.

In order for Ohio to receive federal educational funding, the State is required to administer 17 state tests. Instead, Ohio chooses to require school districts give 24 state tests. It's time to scale back Ohio's state tests to the requirements in the federal Every Student Succeeds Act (ESSA) legislation.

- Keep testing in grades three–eight reading.
- Keep testing in grades three–eight math.
- Keep testing in grades five & eight science.
- One nationally-normed high school assessment.

ESSA builds on key areas of progress in recent years, made possible by the efforts of educators, communities, parents, and students across the country. Currently the federal testing requirements include reading and math in grades three through

eight, science in grades five and eight, and one high school test. The State of Ohio expands on those minimum requirements to include testing in reading, math, science, and social studies in grades five through eight, and multiple end-of-course exams for high school.

It is time to reduce the amount of state testing, and let our local community hold us accountable to the high standards that they set for their public schools.

Ensure Stable Funding – Provide Permanent Solution for TPP Reimbursement

In 2005, House Bill 66 phased out the tax on the TPP, Tangible Personal Property (machinery, equipment, and inventory) of general businesses, telephone and telecommunications companies, and railroads. This tax was completely phased out in 2009, and school districts are currently receiving hold-harmless revenue which will be phased out in 2020. Ohio's elimination of the TPP tax reimbursement significantly reduces the district's

funding—a \$1.7 million loss each year until the reimbursements are completely eliminated in 2020. School districts in communities like Mason supported the 2005 change in tax law that eliminated the TPP tax as a means to improve the state's business climate but remained engaged in the legislative process to help craft a solution with a replacement mechanism for the lost local revenue caused by the eliminated tax.

Since the TPP tax was originally repealed, Mason endured a \$7 million annual funding reduction to help ease the state's financial deficit. While we agreed to the tax reform provisions contained in House Bill 66 that eliminated TPP and created the Commercial Activity Tax, we also believed that a sound solution would be provided to help our district cope with local tax base losses. It is time for Ohio to craft that permanent solution for districts like Mason.

Chard Snyder Announces New Corporate HQ

In Mason

Chard Snyder & Mason a good fit with focus on employee health and wellness

Mason City Council took action to attract Chard Snyder corporate headquarters to Mason and retain this 16-year business resident in Warren County. After an extensive search, including expansion at their current location, they have determined the need to select a larger campus environment that will position the company for future growth. The eight-acre Mason site is located on Cintas Boulevard directly west of the Seapine Perforce Headquarters and is large enough to accommodate this growth. Chard Snyder will invest approximately \$10 million and construct and own the two-story 53,000-square-foot facility, bringing an initial 150 full-time employees with the creation of an additional 100 within three years. The tax abatement will facilitate the construction of the sizeable facility that will support the company's continued expansion. During the term of the abatement, the project will generate an additional \$760,000 in new revenue for the Mason City School District and an

overall return on investment for the community of over \$1.2 million.

The addition of the Chard Snyder corporate culture is expected to contribute to the employee focus of Mason's growing Biohealth & Technology Cluster in the Oakpark District along the I-71 corridor. Chard Snyder was attracted to Mason's business environment, service-driven mindset and commitment to culture of wellness. The City and company will continue to explore ways to compliment and collaborate development as the Oakpark District expands.

Since 1988, Chard Snyder has developed a prominent Greater Cincinnati and national presence, with both private and public sector clients ranging from small owner-operated companies to Fortune ranked companies serving over

1,200 employers. They are a third-party administrator of employee benefit plans, including flexible spending accounts, health savings accounts, health reimbursement arrangements, transportation and parking plans, and benefit continuation services such as COBRA/retiree/billing administration. Learn more at www.chard-snyder.com.

Rain Barrels

In 2013, The Regional Stormwater Collaborative—a group of storm water districts, municipalities, and soil and water districts in Southwest Ohio and Northern Kentucky, including Mason—began partnering with the Cincinnati Zoo for The Rain Barrel Art Project, a program designed to help raise funds for conservation education in the Ohio River Valley.

The project provides approximately 50 local artists with an opportunity to paint rain barrels which are then auctioned off at the Cincinnati Zoo's Party for the Planet—An Earth Day Celebration event held on April 20. The mission of this project is to raise awareness about environmental issues like storm

water runoff, watersheds, and water conservation.

Rain barrels continue to gain popularity across the country as homeowners connect them to their downspouts collecting rain water that can be used for watering plants, washing cars, and other outdoor activities.

For a third year in a row the City has helped secure a donation from Mitsubishi for supplies needed for the project and has worked with Mason City Schools to coordinate students from Western Row Elementary to paint the rain barrel. A total of about 750 students from the school helped with the project. The rain barrel is titled "Starry Night over Cincinnati."

The City is excited to be a part of a program that leverages private-public partnerships providing multiple benefits including creative educational opportunities, public awareness, and financial support to further efforts benefitting the environment and the community.

More information about rain barrels and this event can be found at www.save.localwaters.org or by visiting the Cincinnati Zoo website.

Richard Fair Retirement

Richard Fair, Service Director for Mason, retired on December 13, 2016, after 27 years of service with the City. Fair served as City Engineer for the City for 20 years then as Service Director for seven years. Mason City Council honored Fair and his family at their meeting on February 27, 2017.

International Partnership & Investment

Strong In Mason Italian machine tool delegation benchmarks Mason's Rhinestahl Corporation

This past spring Mason leveraged an important relationship with both Rhinestahl and partner organization the European American Chamber of Cincinnati (EACC) to showcase the City as a strategic location for advanced manufacturing investment. The Italian Trade Agency (ITA) and the Association of Italian Manufacturers of Machine Tools was hosted by this collaborative team. This opportunity is the result of a competitive proposal process, and Greater Cincinnati is one of only two regions being visited.

The ITA is developing a tool to showcase to the 350 Italian companies in the machine tool sector that are seeking entrance into the U.S. marketplace. The objective is to develop a video to be viewed across Italy on "How to En-

ter and Do Business in the U.S. Market" (featuring Mason and Greater Cincinnati). The video will promote Mason and the region as the best place for foreign direct investment.

Through this unique initiative, the EACC, City of Mason, and companies like Rhinestahl were able to showcase the Cincinnati region to Italian companies with interest in investing in the U.S. The Italian delegation learned about the many assets to support European investment. The concentration of aerospace, automotive, and advanced manufacturing companies paired with the access to the U.S. markets was identified as key to this particular group of corporate leaders.

To assist in this strategic initiative, companies and stakeholders from throughout

the region met, provided tours, and gave details on a variety of topics critical in making a decision to locate in the U.S. and region over a three-day period. The City of Mason and Rhinestahl organized part of that agenda exploring technical best practices of the aerospace industry in Mason. Rhinestahl provided expert testimony on technical talent, supply chain, and technology development, and shared insight into why they chose the City of Mason as the place for their corporate investment and growth. Thank you to the Rhinestahl leadership and technical team for rolling out the red carpet and contributing to the strong position that the Greater Cincinnati Region and Mason hold in the Midwest. The inbound investment video will be shared with Mason Economic Development later in the year. www.rhinestahl.com

SHERI COLLINS MEMORIAL WALK & ROLL

FRIDAY JUNE 2, 2017 • 1-mile walk begins at 6 p.m.

Finish at Music in Mason for food, music and family activities

Mason Youth Basketball Registration

Registration is open to Mason residents and children attending Mason City Schools. **The deadline to register is Monday, October 2.** After this date, Mason Community Center communicates registration information to MYB. Your MYB coach will contact you at least one week before practices begin. For more information on team formation and the MYB program, please go to www.masonyouthbasketball.org.

Mason Youth Basketball

The City of Mason, in cooperation with Mason Youth Basketball (MYB), is pleased to offer the annual youth basketball program. Instructional and recreational leagues do not require tryouts. A numbered jersey and basketball shorts will be provided to all players.

Instructional Leagues Field House

Practices will be held one night a week in local gyms, with games scheduled at the Mason Community Center. Practice days and times will vary. Games will start in December and will be played on the weekends. Players will play on eight-foot rims.

Mason Youth Basketball Volunteer Coaches

The City of Mason, in cooperation with Mason Youth Basketball (MYB), is pleased to offer the annual youth basketball program. Practices will begin in November and games will start the first weekend in December. Home games will be played at Mason Community Center or in the Mason schools. Games will be played on weekends (Friday–Sunday).

Those interested in volunteering for the 2017–2018 season should register, complete the following paperwork, and email all paperwork in one email to Dana Maidenbergl at DMaidenberg@masonoh.org by October 2, 2017:

- Complete the volunteer application printed with your registration receipt.
- Complete the Concussion in Sports online training. This includes an educational tutorial followed by a short test. Sign up to take this free course at <http://nfhslearn.com/courses/38000>.
- Provide your National Youth Sports Coaches Association (NYSICA) certification number on your application.
- To obtain or renew your National Youth Sports Coaches Association (NYSICA) certification you must participate in the three part online training clinic. This clinic is \$20 and includes education tutorials followed by a 15 question multiple choice test. After completion, you will receive a certification, NYSICA membership and liability insurance coverage. Sign up to take this course at <http://www.nays.org/coaches/>.
- Mason Community Center requires anyone working with children to pass a background check. The Mason Police Department, located at 6000 Mason-Montgomery Road, offers fingerprint processing. Their office is open Monday through Friday from 8 a.m. to 4 p.m. You will need to bring a valid photo ID (driver's license, passport, state ID card) and specify you are being fingerprinted for the City of Mason's youth basketball program.

After all paperwork is submitted, the MYB Board will contact you with the status of your registration.

★ Invitation-Only Classes

Please note: Invitation to the following classes is at the gymnastic coach's discretion.

ADVANCED JUMPING JACKS

Multipurpose Room

Younger students who are ready for more advanced gymnastics skills may be invited by their instructor to practice in this class. He or she will work on more advanced skills on the vault, uneven bars, balance beam, and floor.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
Tu	6/6-6/27	4:00-5:00P	4-5	5/30	\$37 /\$44 /\$55 /\$66	332473-01
Tu	7/11-8/15	4:00-5:00P	4-5	7/4	\$56 /\$66 /\$83 /\$99	332473-02

Outdoor Hummingbirds

Heritage Oak Park

Your child will have fun and learn the basics of soccer: dribbling, passing, trapping, shooting, defense, and positioning. Each session consists of instruction in each aspect of the game, participation in fun drills that are designed to teach fundamental skills to young children, and low-key, non-competitive games. All coaching will be conducted by Jump Start Sports staff.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
W	9/6-10/11	5:30-6:30P	3-6	8/30	\$60 /\$71 /\$89 /\$107	332124-03
W	9/6-10/11	6:30-7:30P	3-6	8/30	\$60 /\$71 /\$89 /\$107	332124-04

T-Birds T-Ball

Heritage Oak Park

Your child will receive a fun and instructional introduction to baseball learning the basics of throwing, catching, fielding, batting, and base running. Skills learned will be applied in fun, non-competitive games.

Jump Start Sports Coaches will attend and oversee instruction and games; parent participation is welcomed.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
M	9/11-10/16	5:30-6:30P	3-4	9/4	\$60 /\$71 /\$89 /\$107	332133-03
M	9/11-10/16	6:30-7:30P	3-4	9/4	\$60 /\$71 /\$89 /\$107	332133-04

Pee Wees Tennis

Heritage Oak Park

This tennis class is for beginners and participants will learn ball striking skills, scoring, and basic strategy in a fun, stimulating environment. Most enrollees will have little to no tennis experience.

In case of inclement weather, lessons will be held in the Field House at Mason Community Center.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

★ Aquatics Summer Sessions

Please register for both sessions during registration.

Premier Registration begins at 8:00 a.m. on Friday, May 19, 2017

Open Registration begins at 8:00 a.m. on Monday, May 22, 2017

Register online at <https://webtrac.imaginemason.org>

AQUATICS

Station 1

Leisure Pool

Your child will learn to put his or her face in the water and blow bubbles through his/her nose as well as complete 10 relaxed bobs. To participate in this class, your child must be comfortable in a group class setting without a parent.

Class Times: M or W 4:10-4:40, 4:45-5:15P or 5:20-5:50P

Sa 9:00-9:30A, 9:35-10:05A, 10:10-10:40A or 11:20A-11:50A

Date	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
6/3-6/28	3-17	5/27	\$38 /\$45 /\$57 /\$68	352321
7/10-8/5	3-17	7/2	\$38 /\$45 /\$57 /\$68	352421

Station 2

Leisure Pool

Your child will build on what he or she learned in Station 1 by learning to glide on his or her front and back in a streamline position. He or she will also learn to roll from front to back float.

Class Times: M or W 4:10-4:40P, 4:45-5:15P, 5:20-5:50P, 5:55-6:25P, or 6:30-7:00P

Sa 9:00-9:30A, 9:35-10:05A, 10:10-10:40A, 10:45-11:15A or 11:20-11:50A

Date	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
6/3-6/28	3-17	5/27	\$38 /\$45 /\$57 /\$68	352322
7/10-8/5	3-17	7/2	\$38 /\$45 /\$57 /\$68	352422

Station 3

Leisure Pool

Your child will enhance his or her breath control and streamlining skills learned in previous Stations while learning proper kicking

Class Times: M or W 4:10-4:40P, 4:45-5:15P, 5:20-5:50P, 5:55-6:25P, or 6:30-7:00P

Sa 9:00-9:30A, 9:35-10:05A, 10:10-10:40A, 10:45-11:15A or 11:20-11:50A

Date	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
6/3-6/28	3-17	5/27	\$38 /\$45 /\$57 /\$68	352323
7/10-8/5	3-17	7/2	\$38 /\$45 /\$57 /\$68	352423

Station 4

Leisure Pool

Your child will begin the side glide and front crawl stroke, adding on to skills he or she learned in previous Stations.

Class Times: M or W 4:10-4:40P, 4:45-5:15P, 5:20-5:50P, 5:55-6:25P, or 6:30-7:00P

Sa 9:00-9:30A, 9:35-10:05A, 10:10-10:40A, 10:45-11:15A or 11:20-11:50A

Date	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
6/3-6/28	3-17	5/27	\$38 /\$45 /\$57 /\$68	352324

Stroke School

Leisure Pool

Continue to build on your skills learned in previous Stations and learn advanced elements and stroke efficiency in all four stroke types. Stroke School meets twice a week and includes the skills taught in Stations 7 and 8 of the SwimAmerica program. A long pair of long swim fins with adjustable backs is recommended.

Class Times: M & W 6:00-6:45P or 7:00-7:45P

Date	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
6/3-6/28	3-17	5/27	\$74 /\$88 /\$110 /\$132	352326

Swim Fit

Competition Pool

SwimFit is Station 9 and 10 of SwimAmerica and focuses on building the swimmer's strength and endurance in every stroke through drills, multiple laps, and on-deck coaching. SwimFit allows swimmers to get the feeling of being on a swim team without the competition.

Class Times: M & W 7:00-7:45P

Private Learn to Swim Classes

Are you looking for comfort in the water, improved stroke technique and endurance, or a supplement to the Mason Swim Academy Learn to Swim program? We offer classes for all ages and levels. Work one-on-one with a Mason Swim Academy coach who will customize the class to suit your goals. While we cannot guarantee the same coach for every class, there will always be a certified Mason Swim Academy coach available.

Class Times: T 5:00-5:30P, 5:35-6:05P, 6:10-6:40P, 6:45-7:15P, 7:20-7:50P or 7:55-8:25P

CAMPS

Science Matters STEM Camp – Catapults and Backyard Ballista

Activity Room A

Throw things really, really, really far with catapults, trebuchets, and cannons. You'll build a tabletop wooden trebuchet to start an exploration of Newton's Laws of Motion. You'll experiment with trajectory and velocity with our Giant Human Powered Catapult. Enter the modern age and design your own Compressed Air Rocket. If that's not over the top enough, the Potato Cannon will send spuds with a thud.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
M-F	7/10-7/14	9:00A-12:00P	K-6	7/3	\$194 /\$229 /\$254 /\$279	362302-01

Science Matters STEM Camp – Fizz Boom Bang Academy: Chemistry in Action

Activity Room A

Science Matters' Junior Boom Institute of Higher Reactions will make your summer a blast! Can you solve the Mystery of the Growing Glove using the scientific method? The Gator in the Bottle visits the camp throughout the whole week to help build science skills. You'll go hunting for science, catch a rainbow in a test tube, trap the foaming monster, and more. Don your lab goggles for tons of fun in this explosive chemistry camp.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

Science Matters STEM Camp – Drone Academy

Activity Room A

Assemble a drone of your own! After you assemble and name your drone, learn how to fly it using the Four Forces of Flight. Go to Flight School with plenty of flight time to practice the basics of operating a drone safely. As we get more advanced, we'll navigate an Aerial Obstacle Course. While on the ground, we explore how the IR Control works and signals to the drone.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

VAMP (Video Animation Movie Production) Computer Camp: Use the latest video special effects to put yourself in the world of Harry Potter, Marvel Comics, or Star War movies scenes.

Bricks 4 Kidz: Mining and Crafting

Meeting Room

We're bringing back the best of our Mining and Crafting Camp for another summer! New this year, campers will collaborate together with more team challenges to build their virtual worlds. Campers will then bring their virtual designs to life by building mod figures, mosaic crafts, and custom models incorporating LEGO® bricks.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
M-F	6/12-6/16	9:00A-12:00P	6-12	6/5	\$154/\$182/\$207/\$232	236600-01

Bricks 4 Kidz: Lunch Supervision

Meeting Room

Can't decide which camp to take? Why not do both? We will provide an hour of lunch supervision so your camper can stay with us all day, participating in both our morning and afternoon camps. Remember to pack your own lunch and snacks. We recommend bringing a water bottle to keep with you.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

Swimming Safety Tips

- Taking a swim instruction class is the first step to keeping everyone safe in the water.
- Swim only in areas where a lifeguard is present.
- Never swim alone, use a buddy system.
- Never leave young children unattended in the water. Always remain within an arm's length from small children in the water.
- Never trust your child's life to another young child.
- Inexperienced swimmers should always wear U.S. Coast Guard-approved life jackets.
- Actively supervise your children whenever they are near water. Lifeguards have many guests to watch and areas in and around the water to monitor.

ARE YOU READY FOR FUN IN THE SUN?

Dates/Hours of Operation:

Sat, May 27 - Mon, August 14	Regular Season Hours	12 - 8 p.m.
Tue, August 15 - Fri, September 1	Back-to-School Hours	3:30 - 7:30 p.m.
Tue, August 15 - Sun, September 3	Weekend Hours	12 - 8 p.m.
Mon, September 4	Labor Day	12 - 8 p.m.
Tue, September 5	POOL CLOSED	

- Season passes on sale at the pool or at Mason Community Center.
- **Premier Member Perk!** A pool pass is included with your membership.
- Basic members receive a discount.
- Children under 3 years of age are admitted free.

Lacrosse Camp

Heritage Oak Park

Once you try lacrosse, you'll love it! Lacrosse combines elements of soccer, football, basketball, and hockey. Players will receive training on the fundamentals: passing, catching, fielding ground balls, cradling, spacing, positioning, and defense. Players will be divided by age and gender to enjoy the fast-paced action in fun games. The camp will conclude with a championship for all players.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity
M-F	6/5-6/19	9:00A-12:00P	6-12	5/29	\$90 /\$106 /\$131 /\$156	235213-01

Soccer Camp

Heritage Oak Park

Campers learn foot skills, passing, shooting, goal keeping, and team concepts in this fun-filled camp. Each day, participants are divided by gender and skill level to participate in games.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

SPECIAL EVENTS

Parents' Night Out

Premier Member Perk!

Kids' Korner

Enjoy a night out on the town while your children engage in a night full of fun at Mason Community Center. The evening will consist of themed programming and a pizza party sponsored by West Shore Pizza of Mason. We ask that you please pack a snack and drink for each event.

Children ages 6 and up will enjoy swim time while children under 6 will participate in preschool-themed activities on scheduled swim days. Please pack a swim suit and towel if your child will be swimming.

Parents' Night Out is available to Premier members only. Please stop at the Member Services Desk to upgrade your membership if you would like to take part in this program and the many other benefits of Premier membership. We ask that each family sign up for only one Parents' Night Out per month.

Early Bird Special

Online registration for Parents' Night Out starts at 7:45 a.m. on Friday, May 19. Phone registration starts at 8 a.m.

Day	Date	Time	Age	Deadline	Fee (PRE)	Activity
F	6/2	6:00-9:00P	3-12	5/26	Free	333806-01
Space Night: Make a space themed craft that is out of this world. Participants 6 years and older will enjoy swim time.						
F	6/9	6:00-9:00P	3-12	6/2	Free	333806-02
Kite Night: Create your own kite craft that will soar across the sky!						
F	6/16	6:00-9:00P	3-12	6/9	Free	333806-03
Summer is Here! Celebrate the beginning of summer and come dressed in your beach attire to make a summer themed craft. Participants 6 years and older will enjoy swim time.

Crosswalk Safety

Always use a crosswalk when crossing a roadway. Pedestrians at a crosswalk must adhere to traffic control devices indicating to them when to *Walk* or *Don't Walk*. If no device is present pedestrians in a crosswalk have the right of way and traffic must yield to them. Pedestrians do not have the right of way in a crosswalk if they suddenly dart into traffic where the vehicle could not reasonably stop. Motorists are encouraged to be mindful of these laws when approaching a crosswalk. Slow down and be careful especially in highly congested areas.

Kids' Korner

Kids' Korner offers activities for ages 3 months to 12 years. Stop in this summer for crafts, reading and activities!

Studio A

Enhance your sports performance by enrolling in Teen GRIT! Geared towards youth athletes, this workout will tone and raise each participant's fitness level. High intensity interval training (HIIT) will take you into overdrive to go hard, push harder, and get fit super-fast! These short, sharp, demanding workouts combine body weightlifting, running, and plyometrics for a full body workout that increases aerobic capacity, strength, muscular endurance, metabolism, and power.

Bodies in Balance: Water

Leisure Pool

Join us to use to start your aquatic exercise program. You'll use the high resistance and low impact properties of water to increase overall muscle strength, endurance, balance, and flexibility. This water fitness program is ideal for those with arthritis, Parkinson's, fibromyalgia, discharged or phase 3 pulmonary rehab, or other joint complications. Led by a certified athletic trainer, Bodies in Balance: Water utilizes more rehab-based exercises compared to a traditional Water Fit class. There will be no make-up classes or rescheduling for any absences.

ENRICHMENT

CPR/AED Classes

Fire Station 51 Community Room

As part of our effort to make the community a safer place to live and work, the City of Mason Fire Department is offering a series of CPR classes in 2015. CPR training is free for Premier members and Mason residents, and a small fee for nonresidents (discounts available for nonresidents who are Basic members of Mason Community Center).

All CPR instructors are Mason Firefighter/Paramedics and Community Emergency Response Team (CERT) members. During the sessions, participants will learn adult and child CPR as well as the proper operation of an automated external defibrillator (AED). After the four hour class, participants will receive a certification from the American Heart Association.

Classes will be held in the community room at Fire Station 51, 4420 Mason-Montgomery Road. Please register through Mason Community Center.

FITNESS & WELLNESS

Fitness Assessments

Fitness Center

Take the first step toward better health today! To help you track your results and see how your hard work is paying off, we offer fitness assessments with our certified staff. Assessments include: heart rate, blood pressure, body composition, muscular strength, muscular endurance, cardiorespiratory fitness, and flexibility. Assessments are recommended every three to six months or at the start of an exercise routine. A full assessment takes approximately one hour. Please wear gym shoes and comfortable clothing. Please complete the Fitness Center Appointment Request Form at Mason Community Center or online at www.imaginemason.org to get started.

Day	Age	Fee (PRE/BAS)
Varies	15 & up	\$0* /\$30**

*Up to 4 free assessments per year.
**Rate will be discounted from a personal training package purchased following your assessment.

Nutrition Tips Member Lounge

Registered Dietitian Miriam K. Jackobs will be available to answer your nutrition questions and transform your eating habits. Stop by for some quick and easy tips about proper food planning and nutrition.

Clinical Exercise Program

Fitness Center

Mason Community Center, in partnership with TriHealth, offers a medically based exercise program designed by a certified athletic trainer. Clinical Exercise is aimed towards those who are injured or unable to perform due to a past injury. Your certified athletic trainer will design a personalized exercise program to ensure your safe return to regular exercise and activity.

Please contact the Wellness Supervisor for more information at 513.229.8555.

Personal Training Fitness Center

Looking for the best workouts to achieve your goals, need a coach to keep you motivated, or need to change up your routine of exercises? The certified personal trainers at Mason Community Center offer a variety of training packages to cater to individual needs, no matter what the goal. Stop by the Member Services Desk for more information or call 513.229.8555 to get started!

Punch Passes for Multiple Visits

When you purchase a Personal Training package, your visits will be tracked through a punch pass system. Your visits will be linked to your membership card so you can find out how many sessions remain on your pass by stopping at the Member Services Desk.

Bring your membership card to the fitness desk when you come for your personal training appointment. Your trainer will scan your card at the beginning of each training session. You can renew your punch pass at Mason Community Center or by calling 513.229.8555.

★ Introductory Training Specials for Members

These are available to all members new to personal training for a one-time purchase. You can choose either package but won't have the option to take advantage of both.

Les Mills™ at Mason Community Center

Did you know Mason Community Center is one of over 10,000 facilities in the world offering Les Mills™ classes? And these classes are free to Premier members.

Les Mills has taken the fitness industry by storm and is changing the way the world thinks about fitness.

Les Mills formats offer large and small group fitness classes that challenge you in an addictive workout experience. All Les Mills classes are designed with scientific exercise expertise, chart-topping music, inspiring qualified instructors, and the latest cutting-edge choreography. These fitness classes challenge you in a habit-forming workout experience.

Les Mills programs at Mason Community Center cater to beginners that have never taken a class as well as fitness and sport enthusiasts. Our instructors provide a positive exercise experience through proactive movement cues and motivational techniques. The Community Center offers four Les Mills programs which include BODYPUMP, GRIT and SH'BAM weekly.

New program releases are launched quarterly and include new music, the latest exercise science and the most up-to-date exercise choreography to help keep your exercise routine fresh and exciting. After each quarterly program launch, Community Center instructors guide you through the new releases for a few weeks before adding in older releases to ensure class participants have the opportunity to master the new training concepts.

GRIT®

GRIT provides high-intensity interval training (HIIT) workouts that are like no other. Improve your body composition, fitness, and strength in these great 30 minute workouts geared for faster results. GRIT offers three formats that can stand alone or be combined in one class.

- **Strength** is designed to improve strength and build lean muscle. You'll work all your major muscle groups with instructors motivating you to go harder to get fit, fast.
- **Plyo** combines the principles of plyometrics and power agility training to build a powerful, agile and athletic body.
- **Cardio** is a high-impact cardio workout designed to burn fat and rapidly improve your athletic capability using body weight exercises and no equipment.

BODYPUMP®

BODYPUMP creates long lean muscles and gives a strong, toned physique. You'll perform 800–1,000 reps during your class which will improve your muscular strength and endurance. With high repetitions and low weights, The Rep Effect delivers a whole body transformation burning more fat and calories while achieving more meaningful muscle fatigue and fat loss.

SH'BAM®

SH'BAM is a fun and energetic dance workout with ultra-fun dance combinations set to chart-topping hits. The combination of high intensity and recovery moves sets you up for a successful workout. You don't have to be a dancer to join in—come as you are and leave as a star!

Join the Community Center today and take advantage of these free classes that are sure to add variety and intensity to your fitness routine.

USING A HYBRID AROUND THE GREEN

Many golfers are more comfortable putting rather than chipping just off the green, but your putter may not always be the best choice. A variety of obstacles—grass being longer or sprinkler head lying between your ball and the hole—could be making your putt more difficult. In this situation if you do not want to use a wedge you can use a hybrid. Move your hands to the bottom of the grip and set up like you are going to putt. The loft on the hybrid will give the ball enough lift to carry over any obstacle and land on the green rolling out like a putt. With a little practice, you will master this shot.

SPORTS

Drop-In Pickleball

Gym A&B

Pickleball provides the cardiovascular workout you're looking for. Pickleball is a combination of badminton, ping-pong, and tennis where two to four players utilize paddles to hit a ball back and forth over the net. Equipment can be checked out at the Member Service Desk.

Day	Time	Age
W	12:30-2:30P	50 & up
All Skills Levels		
M	12:30-2:30P	50 & up
F	12:30-2:30P	50 & up
F	5:00-7:00P	50 & up
Beginner/Intermediate		
Tu,Th	12:30-2:30P	50 & up
Advanced/Higher level Intermediate		

Pickleball Group Lessons

Gymnasium B

Are you new to pickleball or want a better understanding of the basics of pickleball? Join us to learn the basic rules and skills including serves, dinks, volleys, ground strokes, and footwork.

Day	Date	Time	Age	Deadline	Fee (PRE/BAS/MR/NR)	Activity

W	8/2-8/23	11:15-12:15P	50 & up	7/26	\$20 /\$24 /\$30 /\$36	341309-03

CHOOSE YOUR MOVE

Active transportation is a healthy, fun and easy way to get around.

Here are some tips and safety suggestions:

BE SAFE **DRIVING**

- Stop for pedestrians. Every intersection is a crosswalk — painted or not.
- Give bikes at least 3 feet when passing. Bikes are vehicles and can legally use the full travel lane.
- Always check for bicyclists and pedestrians when making a turn.
- Watch for children around schools, parks, buses and in neighborhoods.
- Allow buses to merge into the travel lane after picking up or dropping off passengers.
- Check your mirrors and look for bicyclists when opening car doors or turning right.

BE SAFE **BICYCLING**

- Wear a properly fitted helmet and ensure that your bike is in good working order (ABC = air, brakes, chains).
- Be predictable – ride in a straight line, don't weave between parked or moving vehicles, and use hand signals to communicate your intentions to other drivers.
- Bikes belong on the road. Stay off sidewalks, ride in the direction of traffic and obey all traffic laws.
- Be visible. Use head and taillights at night – it's the law. Bright clothing increases visibility.
- Stay at least 3 to 4 feet from parked cars to prevent collisions with suddenly opened car doors.

BE SAFE **WALKING**

- Cross in crosswalks and at marked intersections. Avoid the temptation to cross the street mid-block. If a pedestrian signal is present, only cross when the "WALK" signal is lit.
- Walk on sidewalks or designated paths. If none are present, walk along the shoulder/berm in the direction opposite of traffic.
- Check for turning vehicles when crossing streets and driveways.
- Eyes and mind on where you are walking. All. The. Time.
- Allow space and time for vehicles to stop and increase space and time at night and during inclement weather.
- Be visible. Bright clothing increases visibility. Carry a flashlight for walking when it's dark.
