We were both traveling the same speed and the light turned red and she stopped. I tried to stop but the brakes locked up. I tried to get into the left hand lane but my car had no control. I braced and hit the car in the back. The airbags ~~did~~ went off and then I called my mom. I got out of the car and she took down my information. She then left to go somewhere and said she was coming back. Then a man from a company came with a vest on and called the police.
