Subject: Incident at Group Health

Officer Slone per your request;

I was entering the Group Health parking lot when I heard a crash. When i looked over there was a gentleman on the ground beside an overturned motorcycle. After parking my car I approached the incident to ensure the individual was alright. There was another black man at the scene along with the driver of the motorcycle. I asked the driver if he was ok and he said yes that him and his friend were racing and he lost control of the motorcycle. The black man did not appear to be in control of any vehicle and when i asked what they were racing the driver said the black man was running and said he could beat him. I took a picture of the license plate and asked the driver if he would like me to go inside and try to find the owner so they could exchange insurance information and he was more than willing to do so. I went in to the Mason Community Center and spoke to Jill who then called non emergency services.

Let me know if you need anything else from me and thank you for your service

Sincerely,

Barbie Rose
