I was driving down Kings Island Drive like I usually do to get to school. I know I wasn't speeding. I noticed the cars in front of me stopping, so I pressed on my ~~brakes~~^{brakes}. The car wasn't slowing at all, so I pressed as hard as I could, but it really didn't slow at all. We rammed into the back of the van in front of us. The airbags went off, but neither of us hit them. After we finished screaming,

intimately
 I hit the hazards button and after making sure Dusty was okay I got out of the car. Her door wouldn't open, so I ran around to help. She ended up crawling out the right back door. I ran to the cars in front of us to make sure every ~~one~~^{one} was okay. I told someone to call the police and then we waited for them to arrive.

I saw that the car in front of me was breaking, so I began to break. The brake was a lot harder than I had expected. I stopped then the car behind me rear-ended and pushed my car into the car in front of me.
