I was stopped in traffic from the red light at mason montgomery Rd and Socialville Foster Rd. I was heading on Socialville Foster Rd towards the car wash and Firestone. My stuff had fell on the floor when previously turning. Since we were stopped at the light, I chucked to make sure nothing was open/spilling out. When I looked up to double check the light was red, our light had turned green. The car in front of me had begin to go so I decided to leave my stuff and begin to go with my traffic. There was a gap between car in front of me and my car. The Toyota I hit said he thought I was letting him go but I never saw him. He pulled out to cut across two lanes of traffic to left turn lane as I went to go forward in the straight lane with green light.
