I was backing out of Emma Baah-Binney's driveway and when I checked my rearview mirror nothing was there. However when I changed gears and starting backing out I heard a crunch. I looked in my rview again and saw an SUV. I put the car in drive and pulled forward again and exited the car. I other driver also got out and claimed she had no damage but she still gave me her phone number. I didn't realize I would need to contact her though because she claimed nothing was wrong with her vehicle.
