I was driving by Mason Montgomery Rd with my friend, it was raining so when I realised the lights changed I tried to stop the car but my brakes didn't work really well because of the rain. So I hit the back of his car. He keeps going and I was in the middle of the road so I just turned right and waited for him, while he was trying to come back where the accident happened. Then, he asked me if I was ok and made some phone calls until the police came to the school area where we decided to park.

SPITZ AT CHRIST CHURCH
OFFICER'S NAME LOCATION

I was headed south on Mason Montgomery Rd and completely stopped at the intersection of Western Row Rd. The light turned green but prior to us moving forward we were struck us from behind. After we were struck by what felt like ~15 miles/hour of force we continued south bound through the light then turned around to come back and turned west onto Western Row Rd where the other vehicle was stopped.

I got out of the vehicle, made sure the other car's passengers were also okay, then decided to move to the parking lot of Christ's Church where we called 911.
