I was heading south on U.S. State route 42 when the Cadillac made a left hand turn out of the dollar general parking lot. They didn't see me approaching and I did not have time to stop. We suffered a low speed collision, my front end hitting her side. No one was injured. They pulled out in front of me.

I was turning left out of the parking lot of Saint Vincent de Paul on St. Rt 42. A delivery van was turning right off of 42 to pull into the same parking lot, I didn't see any vehicles coming either way so as the van slowed I started to pull out. There was another white van that had been blocked by the delivery van from my view. I tried hitting the brakes but was already out into the lane and we both tried to swerve to miss the collision but still hit. He hit my car directly center on the drivers side.
